2 BASIS OF SALE

2.1 These Conditions apply to all Contracts to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under document, including without limitation, any purchase order, specification or other document).

2.2 Each order or acceptance of a quotation for Products by the Buyer from the Seller shall be deemed to be an offer by the Buyer to buy Products subject to these Conditions.

2.3 No variation to these Conditions shall be binding unless made in writing and signed on behalf of both the Buyer and the Seller specifying:

2.3.1 which condition is to be varied; and

2.3.2 full details of such variation.

2.4 No order placed by the Buyer shall be deemed to be accepted by the Seller until Seller issues a written acknowledgement to Buyer or (if earlier) the Seller delivers the Products to the Shipment Address.

2.5 The Seller’s employees or agents are not authorised to make any representations concerning the Products unless confirmed by the Seller in writing. In entering into a Contract the Buyer acknowledges that it does not rely on, and waives any claim for breach of, any such representations which are not so confirmed.

2.6 Any advice or recommendation given by the Seller or its employees or agents to the Buyer or its employees or agents as to the storage, application or use of the Products which is not confirmed in writing by the Seller is followed or acted upon entirely at the Buyer’s own risk and accordingly the Seller shall not be liable for any such advice or recommendation which is not so confirmed.

2.7 Any typographical, clerical or other error or omission in any sales literature, quotation, price list, invoice or other document or information issued by the Seller shall be subject to correction without any liability on the part of the Seller.

2.8 All Products delivered hereunder shall be deemed accepted by Buyer (without waiving any rights under the warranty provided in Section 9) as conforming to a Contract, and Buyer shall have no right to revoke acceptance, unless written notice of nonconformity is received by the Buyer within thirty (30) days of delivery.

3 SALE AND PURCHASE

3.1 Prices, discounts and payment terms are those in effect at the time of written acceptance of order by the Seller.

3.2 No order which has been accepted by the Seller may be cancelled by the Buyer except with the written agreement of the Seller and provided that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including cost of all labour and materials used), damages, charges and expenses incurred by the Seller, subject to the Seller taking all reasonable steps to mitigate any such loss.
3.3 The standard payment terms are that stipulated on the official quotation issued by Seller unless notified by the Seller.

4 SPECIFICATION

4.1 The Buyer shall ensure the accuracy of any order (including any applicable specification) submitted to the Seller.

4.2 If the Products are to be manufactured or any process is to be applied to the Products by the Seller in accordance with any specification given by the Buyer, the Buyer shall indemnify the Seller against all loss, damages, costs and expenses awarded against or incurred by the Seller in connection with, or paid or agreed to be paid by the Seller in settlement of, any claim for infringement of any patent, copyright, design, trade mark or other intellectual property rights of any other person which results from the Seller's use of the Buyer's specification.

4.3 The Seller reserves the right to make any changes in the design, construction or specifications of the Products without notice. This may include changes required conform to any applicable safety or other requirements or which do not materially affect their quality or performance.

4.4 The Seller also reserves the right to discontinue the manufacture and sale of any Products without prior notice.

5 DELIVERY

5.1 Unless the parties mutually agree on a different shipping term, Products will be shipped FOB Seller’s shipping point. Delivery of the Products shall be completed when either:

5.1.1 the Seller notifies the Buyer that the Products are ready for collection from the Shipment Address; or

5.1.2 (if the Seller has agreed in writing to arrange (at the Buyer's expense) for the Products to be transported to such address as is nominated in writing by the Buyer) the Seller dispatches the Products to the courier for transportation.

5.2 Except where the Seller agrees in writing to arrange (at the Buyer’s expense) for the Products to be transported to such address as is nominated in writing by the Buyer (in which case condition 5.4 shall apply), the Buyer shall collect the Products from the Seller’s premises within 3 Business Days of the Dispatch Date.

5.3 The Seller shall endeavour to make the Products available for collection at the Shipment Address on or around the Estimated Dispatch Date but the Buyer acknowledges that this is a non-binding estimate only and time shall not be of the essence of a Contract. If no dates are so specified, the Products will be available for collection within a reasonable time.

5.4 If the Seller agrees in writing to arrange (at the Buyer's expense) for the Products to be transported to such address as is nominated in writing by the Buyer, the Seller shall endeavour to dispatch the Products from the Delivery Location to the courier on or around the Estimated Dispatch Date but
the Buyer acknowledges that this is a non-binding estimate only and time of dispatch shall not be of the essence of a Contract. If no dates are so specified, dispatch shall be within a reasonable time.

5.5 The Seller shall be entitled to deliver the Products to the Shipment Address in instalments in which case each installment shall be treated as an entirely separate Contract and any default or breach by the Seller in respect of any such installment shall not entitle the Buyer to cancel any other installment or treat a Contract as a whole as repudiated.

5.6 The Seller shall not be liable for any direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Products (even if caused by the Seller’s negligence), nor shall any delay entitle the Buyer to terminate or rescind a Contract unless such delay exceeds 180 days.

5.7 For orders in excess of 500 Product units, if the Seller delivers to the Shipment Address a quantity of Products up to 1% more or less than the quantity accepted by the Seller, the Buyer shall not be entitled to object to or reject the Products or any of them by reason of the surplus or shortfall.

5.8 The quantity of any consignment of Products as recorded by the Seller on collection by the Buyer or dispatch to the courier from the Shipment Address shall be conclusive evidence of the quantity received by the Buyer unless the Buyer can provide conclusive evidence proving the contrary.

5.9 The Seller shall not be liable for any non-delivery of Products by the courier (even if caused by the Seller’s negligence) unless the Buyer gives notice to the Seller of the non-delivery within seven days of the date when the Products would in the ordinary course of events have been received from the courier.

5.10 Any liability of the Seller for non-delivery of the Products shall be limited to replacing the Products within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Products.

5.11 If for any reason the Buyer fails to arrange collection of any of the Products or the Seller is unable to dispatch the Products to a courier because the Buyer has not provided appropriate instructions, documents, licences or authorisations, then, without prejudice to any other right or remedy available to the Seller:

5.11.1 risk in the Products shall pass to the Buyer (including loss or damage caused by the Seller’s negligence);

5.11.2 the Products shall be deemed to have been delivered;

5.11.3 the Seller may store the Products until actual delivery is made and charge the Buyer for the costs (including insurance) of storage;

5.11.4 the Seller may sell the Products at the best price readily obtainable and (after deducting all storage and selling expenses) charge the Buyer for any shortfall below the price under a Contract; and
5.11.5 the Seller shall be entitled to charge interest (both before and after judgment) on the price payable for the Products under a Contract at 4% over the base rate from time to time from the Estimated Delivery Date to the date of actual delivery.

5.12 Non-Warranty Returns. The Buyer has no right to return Products without Seller’s written authorization and written authorization number. Authorization numbers must be referenced on returns and unauthorized returns will not be accepted by Seller. In such event, the Seller shall either credit or refund the price paid by the Buyer in respect of such Products, excluding any original carriage cost and less a handling charge of 20% of the price paid in respect of such Products, with a minimum charge of $30.00 per return. All costs relating to the return of Products are the Buyer’s responsibility. All returned products may not be obsolete for more than one year and must be in sellable condition.

6 PRICES AND PAYMENT

6.1 All prices are in U.S. dollars. Unless otherwise agreed by the Seller in writing, the price of the Products shall be the price set out in the Seller’s published price lists on the date of a Contract less any applicable discount at the time the order is accepted.

6.2 The Seller reserves the right, by giving notice to the Buyer at any time before delivery, to increase the price of the Products to reflect any increase in the cost to the Seller which is due to any factor beyond its control, any change in delivery dates, quantities or specifications for the Products which is requested by the Buyer or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate information or instructions.

6.3 Unless otherwise agreed by the Seller in writing, all prices exclude freight, packaging, insurance, delivery and transportation costs and such costs for each order will be added to the invoice by the Seller and payable by the Buyer.

6.4 The purchase price of the Products is exclusive of any applicable taxes, which the Buyer shall be additionally liable to pay to the Seller.

6.5 The Seller shall be entitled to invoice the Buyer for all amounts due under a Contract on or at any time after the Dispatch Date.

6.6 Unless otherwise agreed in writing, the Buyer shall pay all invoices in full and without any deduction or set off (whether in relation to such invoice or otherwise) by check or bank transfer within 30 (thirty) days of the date of the invoice.

6.7 Time for payment shall be of the essence of each Contract.

6.8 No payment shall be deemed to have been received until the Seller has received clear funds and all payments shall be applied to invoices and to Products listed in such invoices in the order determined in its discretion by the Seller.

6.9 Prior authorisation is required for payment in any currency other than the currency invoiced.
6.10 If full payment is not received by the Seller by the due date then without prejudice to any other remedy it may have, either at common law or under condition 12 of these Conditions, the Seller shall be entitled:

6.10.1 to cancel a Contract or suspend any further deliveries of Products to the Buyer under that or any other Contract;

6.10.2 to sue for the entire price of the Products; and or

6.10.3 to charge interest and costs (both before and after any judgment) at the rate of 4% over the base rate from time to time on the outstanding balance; and/or

6.10.4 to require the immediate return to the Seller of all goods agreed to be sold by the Seller to the Buyer in which the property has not passed to the Buyer in accordance with the provisions of condition 12 below and the Buyer hereby agrees to reimburse to the Seller upon demand for the Seller’s costs or expenses in recovering such goods.

7 EXPORT TERMS

7.1 Unless the context otherwise requires, any term or expression which is defined in or given a particular meaning by the provisions of Incoterms shall have the same meaning in this condition 7, but if there is any conflict between the provisions of Incoterms and this condition 7, the latter shall prevail.

7.2 The following provisions of this condition 7.2 shall (subject to any special terms agreed in writing between the Buyer and the Seller) apply notwithstanding any other provisions of these Conditions:

7.2.1 the Buyer shall be responsible for complying with any legislation or regulations governing the importation of the Products into the country of destination and for the payment of any duties on them;

7.2.2 if the Seller agrees in writing to arrange for the Products to be transported to such address as is nominated in writing by the Buyer, the Buyer shall be responsible for all costs of transportation from the Shipment Address;

7.2.3 the Buyer shall be responsible for arranging for testing and inspection of the Products at the Shipment Address before collection or dispatch from the Shipment Address; and

7.2.4 the Seller shall have no liability for any claim in respect of any defect in the Products which would be apparent on inspection and which is made after collection or dispatch, or in respect of any damage during transit.

8 EQUIPMENT

8.1 The Seller may, from time to time, supply the Buyer with loan or demonstration equipment ("Equipment"). The ownership of the Equipment shall remain with the Seller but risk in the Equipment shall pass to the Buyer on delivery. The provisions of condition 13 shall apply to the Equipment.
8.2 The Seller reserves the right to invoice the Buyer in accordance with the Seller's published price list from time to time for any Equipment which the Buyer fails to return to the Seller within a reasonable timescale following the request by the Seller for the return of such Equipment.

9 WARRANTY

9.1 The Seller warrants that the Products will be, upon delivery and for the period stated in condition 9.3, of satisfactory quality and be reasonably fit for any particular purpose for which the Products are being bought provided the Buyer had made known that purpose to the Seller in writing and the Seller confirmed in writing that it is reasonable for the Buyer to rely on the skill and judgement of the Seller, PROVIDED THAT:

9.1.1 the Seller shall be under no liability in respect of any defect in the Products arising from any drawing, design or specification supplied by the Buyer;

9.1.5 the above warranty does not extend to parts, materials or equipment not manufactured by the Seller, in respect of which the Seller shall endeavour to transfer to the Buyer the benefit of any warranty or guarantee given by the manufacturer to the Seller; and

9.2 The Seller shall not be liable for a breach of any of the warranties in condition 9.1 unless:

9.2.1 the Buyer gives written notice of the defect to the Company within the warranty period, and, if the defect is as a result of damage in transit to the carrier, within fourteen (14) days of the time when the Buyer discovers or ought to have discovered the defect; and

9.2.2 the Seller is given a reasonable opportunity after receiving notice of examining such Products and the Buyer (if asked to do so by the Seller) returns the Products to the Seller's place of business at the buyers cost for the examination to take place.

9.3 The warranty periods are as follows unless otherwise stated by the Seller in writing:

12.3 Until ownership of the Products has passed to the Buyer, the Buyer shall:

12.3.1 hold all goods owned by the Seller on a fiduciary basis as the Seller's bailee;

12.3.2 store them in such a way that they are clearly identifiable as the Seller’s property;

12.3.3 maintain records of such goods, identifying them as the Seller’s property; and

12.3.4 keep them in satisfactory condition, properly stored, protected and insured.

12.4 The Buyer shall be entitled to resell or use such goods in the ordinary course of its business before ownership has passed to it but shall account to the Seller in respect of the proceeds of sale or otherwise of such goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any other monies or property of the Buyer and third parties and, in the case of tangible proceeds, properly identified, stored, protected and insured.

18.1 The Seller reserves the right to revise and amend these Conditions from time to time. Each Contract will be subject to the conditions in force at the time that Products are ordered if the Seller notifies the Buyer of the change to these Conditions before confirming the order (in which case the Seller shall assume that the Buyer has accepted the change to the Conditions, unless the Buyer notifies the Seller to the contrary).
