

# Certificate of Conformity

## Casella cyclone sampling head

Six Casella plastic cyclone respirable dust sampling heads  
(Higgins Dewell, product reference: 116000B)  
Identified as CAS01 to CAS06

Tested at the HSE Science and Research Centre  
Harpur Hill, Buxton, SK17 9JN  
www.hse.gov.uk

Signed: *Stall*

Test Date: 07/07/20

This certificate of conformity shows that the indicated cyclones were tested at the above establishment on the designated date.

**NB:** Any changes in cyclone design or materials would void the results presented here. Re-testing would be required to determine conformity with the convention.
